Dear *LEW Speaker, Tour Guide, Curator, Dine Around Host, LEW Organizing Committee Member, Chapter Board Member, Awardee, Sponsor, Scribe, Graphic Designer, Special Events Helper, Cellist, Photographer, and Attendee:*

We did it! Congratulations!! Whew! On behalf of our Baltimore Chapter, I want you each to know how much I appreciate all that you did to make our Lambda Alpha International Land Economics Weekend in Baltimore such a fabulous success!

We are finalizing our counts, revenue and expenses, and will update you as soon as it is all done. As you may recall, we expect to have funds remaining for our local chapter activities when it is all said and done. Based on LAI's Sheila Hamilton's records, our LEW exceeded counts of all past held LEWs, yay! With attendees from 21 out of 26 chapters.

THANK YOU! There were so many people who were a part of making this weekend such a success, and I would like to take a moment to showcase each of you on the following pages!

Our Chapter President

I would like to personally thank Mel Freeman for an outstanding job as our Baltimore Chapter President! I am so grateful for you being my LEW cohort.

First of all this LEW happened because you were elected President, which was critical because as you recall I was willing to be the LEW Chair *only* if we elected a President for when my term ended in November, 2017!

Secondly, you did a great job as our LEW Master of Ceremonies, and you kept everyone on time – actually, early! - which typically doesn't happen with 20 speakers. Kudos!

Thirdly, you and Carol created 'LEW lore' at your Dine Around ... on video/camera... for those of you who do not know what happened, please be sure to ask Mel....

Our Chapter Board of Directors

I sincerely appreciate the enthusiasm and the affirmative vote by 100% of our Baltimore Chapter Board of Directors to host the LEW in Baltimore. It showed leadership and pride in our Chapter and our City. And thank you for your vote of confidence in me as the LEW Chair and our LEW Committee to get it done.

Our LEW Organizing Committee

And there is simply no way we could have done this event without each and every one of you on our Organizing Committee. A ton of time, energy, ideas, writing, planning, fundraising, investing of your personal/corporate funds, and, of course, hard work.

A special, appreciative *shout out* to:

Our Special Events Helpers

In addition to Sheila Hamilton and Shelley Lloyd of LAI International who kept it all going behind the scenes, I want to extend a sincere thank you to Nicole McGlynn for all your wonderful help, humor, marketing help, and organizational skills before and during our LEW. And to Inna Kolomiytsev for your superb help on the weekend, and wonderful suggestions and advice in advance. Thanks to you all very much!

Our Graphic Designers

As you know, our LEW Program Booklet (and our other materials) received many compliments, and I want to thank our fantastic graphic designer Holly Burke! You are creative and a pure delight to work with, all while keeping to a tight schedule. Thank you, Holly! I am also grateful to my sister Sarah Bergmann in Seattle who created our Dine Around piece shared at the Vancouver LEW.

Our Photographer

Bob Madden, you are a gem! Thank you for taking photos throughout the entire weekend. See the attached link and take a look! https://www.dropbox.com/sh/oos0y5e1laajrfw/AACDyWnQGSgM_nR4COltxb_za?dl=0
Thank you, Bob! <https://www.bobmadden.com/>

Our LEW Scribe

Joe Nathanson is writing a recap of our weekend, and when it is completed we will share with you, as well as the entire LAI membership. If you have photos, thoughts, highlights to share, please let me or Joe know!

Our President's Reception Musician

Thanks to Tara Clifford's suggestion, we contracted Cellist Luka Stefanovic to play during our President's Reception. In case you did not know, he is a senior at the Baltimore School for the Arts and, as he has been since the age of four, studies with Dr. Daniel Levitov through the Peabody Preparatory of the Johns Hopkins Institute. He joined the cello section of the Peabody Youth Orchestra in 2013 and has since played with the orchestra at the Kimmel Center in Philadelphia and on a tour of the USA and Canada, being named Principal Cello in the fall of 2016 under the baton of Mr. Ankush Bahl.

The LEW is only as good as the information shared by our outstanding speakers and tour guides to our attendees. We asked you to cover a lot in a short amount of time, and we thank you for accommodating our very tight schedule. You were interesting, informative, engaging and much appreciated by us and our visitors. Thank you for making time in your busy schedules to be a part of showcasing Baltimore.

Baltimore: A Preview

I would like to acknowledge the writers of The Baltimore Preview that was sent out in advance of the LEW to all LAI members and a hand-crafted hard-copy was included in all the attendees' tote bags at the LEW. It was something special that is not typically done for LEW attendees, and I have heard many compliments. A *big* thank you to Jim Leanos, Rachel Edds, Ruth Louie, Dan Pontious and Geof Washington! Well done!

Our Awardees

We are simply thrilled that both of our nominations were selected by the LAI International Awards Committee. We are proud of **Margaret McFarland, JD**, who received the Richard T. Ely Distinguished Educator Award and for Beatty Development who received the International Skyline Award for their fantastic **Harbor Point** project. A special thank you to Tara Clifford and Nate Betnun for putting together the impressive submissions. And Margaret we are especially glad that you participated in the LEW weekend. Tim Pula, thank you for attending our Awards Dinner and accepting the award on behalf of Beatty Development.

Our 25 Dine Around Hosts

We had 82 guests at the 10 Dine Arouns. Thank you for generously opening your homes and special places to our guests! It is one of the most complimented aspects of our LEW based on our visitors' comments. You did a magnificent job showcasing a variety of neighborhoods and providing an intimate gathering of both visiting guests and local members. What a success! Lucky for me and Bob Madden, we had a chance to visit three of them and take photos at the Maryland Club, Johns Hopkins' home, and La Cuchara.

Local Chapter Members

We had three goals for our LEW. They were all achieved! One, host an excellent conference. Two, raise funds for our local chapter's reserves for future activities. Three, engage our local members with LAI International and the LEW. We have 60 active members in our Chapter, and at least 50 of you played a significant role in our LEW. Super to have such engagement and it is much appreciated. You made all the difference! Our visitors felt very welcomed and a part of our City because of you!

Now what?

We would like to gather your comments about the LEW weekend. We will be planning a get together to talk about how to piggy-back off of the energy and ideas from this successful weekend... to decide where do we go from here? What is important to us and our chapter to focus on?

We will be in touch! Thank you all very much for being so instrumental to our LEW's success! What fun!

Best regards,

Susannah Bergmann
