

# Small-Scale Manufacturing & Making Great Places

Ilana Preuss

Founder

@ilanapreuss

Rise in modern manufacturing – new definition

70% of manufacturing businesses have fewer than 20 employees

Mostly in cities – big and small

Need to add breweries, production + retail space, hardware fabricators...

Photo Credit: Industry City

Production in the city is key to  
having a strong local economy  
with strong neighborhoods

What trends shape this  
opportunity?
