Lambda Alpha International, an honorary society founded in 1930, provides a forum for the study and advancement of land economics where the "winnowing and sifting" of ideas takes place in an atmosphere of mutual respect.

Individuals who have made notable contributions to the study and ethical practice of land use are invited to join Lambda Alpha International. Now, numbering more than 2,500 active members worldwide, Lambda Alpha International is an apolitical not-for-profit professional organization.
