Alan Garten is a director and officer at **Fedder and Garten**, one of Baltimore’s long standing law firms. His main practice areas are Real Estate, Business, Commercial Litigation and Estate Planning. He is admitted to the United States Supreme Court, District of Columbia Bar and the Maryland Bar. He has has spoken widely in the area of real estate, creditors’ rights, asset protection, bankruptcy, landlord / tenant matters and mechanic’s liens.

Timothy R. Henderson is a co-founder and Managing Partner of **Rich and Henderson, P.C.** in Annapolis, Maryland. He represents local and national clients in a variety of matters including environmental permitting, merger and acquisition due diligence, natural resources issues, and land use matters. His practice focuses on regulatory compliance counseling on issues ranging from hazardous and solid waste (involving both RCRA and Superfund), environmental permitting, air quality, wastewater disposal, water use, transactional and enforcement matters.
